## From Kelli's Desk

Have I mentioned that the library has a Friend's of the Library group? The library is fortunate to have this wonderful group working to enhance

library services to our community. On Wednesday, October 17th this group is welcoming Friends of the Karl Junginger Memorial Library and those who wish to sign up and become a friend to their annual

meeting. There will be social time at 5:30 and a dinner at 6:00. The Friends group will be sponsoring the main dish and drinks but would love for everyone else to bring a dish to share. If you love the library please consider joining this wonderful group and by doing so you are giving back to a place you love. The Friends welcome new members and by contributing as a library friend you can make a lasting difference and become an advocate for the KJM Library. Hope you can make it!

I wish you all a Happy Autumn and hope you "fall" into a good book this season!
