Reserving the Junginger Community Room
or
Hyer Conference Room

Please complete the attached reservation form.

Deposits are payable at the time of reservation (if applicable). Users must include a self-addressed stamped envelope for us to return the deposit check or the deposit check will be shredded after the reservation date.

Deposits must be paid by check, separate from rental fee checks. All rental fees, if any, are due no later than the date of use by the organization. If there are no charges for damage or cleaning of the facility after use and the key is returned, the deposit check will be returned to the organization or shredded within 5 working days of the event.

Once the reservation form and deposit (if applicable) is submitted and the user has gone through a brief orientation, the reservation for either room will be definite.

The library staff person on the desk will go through a few procedures with the users regarding the care of the room and note the reservation on the meeting room calendar.

The rooms are available on a first-come, first-serve basis. Groups not related to the library are welcome to use the facilities. However, library functions have a priority claim to the facilities.

Please remember per library policy **“No use of alcohol or tobacco is allowed in any area of the building. Fire and safety laws must be observed”**.

Overview of Facility Use Policy

The goal of the Karl Junginger Memorial Library and its Board of Trustees is to have library facilities utilized to the greatest extent possible. Community groups are encouraged to use the Junginger Community Room and the Hyer Conference Room for activities in accordance with the guidelines outlined in this handout. In brief, several steps will need to be followed before, during, and after your meeting or event:

Prior to your Meeting/Event

1. Users should complete the reservation form. Make sure you reserve the room with time for setup and cleanup, so that groups aren't in conflict for space.
2. Users should return the completed reservation form with **separate checks for the deposit and rental fees** (if applicable) to the library. You must include a self-addressed stamped envelope for us to return your deposit check or we will shred the check after the reservation.
3. If a key is needed to access the facility, it must be signed out during library hours just before the event. If the key is not checked out prior to the event, the \$50 deposit will be forfeited automatically. **Staff may not be contacted at home for any reason.**
4. For a non-emergency situation please contact local police at 920-478-2343. ****If the fire alarm is pulled by accident your rental deposit will be kept by the KJM Library. Additional Fire/EMS fees may be incurred up to \$200.00.**

During Your Meeting/Event

Users should monitor those at the event for compliance with the Facility Use Policy, which is available in print at the library's front desk and available online at www.waterloo.lib.wi.us

After Your Meeting/Event

1. Complete, sign and date the Cleanup Checklist.
2. **If the room is not clean and/or the furniture has not been returned to the proper arrangement, the \$50 deposit will be forfeited.**
3. Users should leave the Cleanup Checklist on the kitchen counter in the Junginger Community Room or on the conference table in the Hyer Conference Room.
4. In addition to the cleanup checklist tables and chairs must be returned to their proper arrangement (*refer to the laminated green cleanup checklist and room arrangement map*).
5. **If the library keys for the facility were borrowed, they should be returned.** If the library is closed leave the key in the outside book drop after the door has been locked and at the front desk if the library is still open. **If the key is not returned the \$50 deposit will be forfeited and you will be charged for any necessary re-keying fees.**
6. If the library is closed during your event, or closes before the event has ended, users should make absolutely certain that all lights are off and that all external doors used by the group are locked and secure.
